**Susan Zarekarizi, Chair**, called the meeting to order at approximately 9:00 a.m.

## **I. Approval of Minutes**

The minutes from the October 9, 2007 meeting were amended to read first page under **Presentations/Discussions**, first paragraph Price Field Office comments are due to PLPCO by November 13, 2007. Second paragraph Vernal Field Office Supplement to the Draft comments are due to PLPCO December 4, 2007. The motion passed to approve the minutes as amended by **Kimm Harty**, and seconded by **Roy Gunnell**. The motion passed unanimously.

## **II. Presentations/Discussions**

Oil Shale Exploration Company (OSEC) proposed project to re-open the White River Mine - Gary Aho (JBR Engineering). Gary gave a brief history of the White River Mine and the three phase RD&D Program. Please see attached power point presentation for more details.

Rocky Mountain Power Transmission Projects - Terry Ray gave an update on the transmission expansion plan. Please see attached for more details.

### **III. Reports from Agencies on Any Anticipated Projects**

**Ron Daniels, GOED**, gave an update on the Governor's Blue Ribbon Advisory Council.

**Jonathan Jemming, PLPCO**, thanked the RDCC for their comments on the Moab plan and PLPCO is very busy working on RMPs in our office.

### **IV. Adjournment**

The meeting adjourned at approximately 10:40 am, the next meeting will be held Beehive Room (east building).
